What is the role of electric utilities?

- Promote EV's in general?
- DCFC?
- Financing?
- Rate Design?
- Level 2?
- Build it and they'll come?
- Nothing?
- Why would we want EV's?

Stop politicizing Electric Vehicles

Beneficial
Electrification

OR

Conservation?

**Electric cars.
They're
Normal Now.**

EV Education

- Range
- Charging
- Fuel Cost Comparison
- Infrastructure Availability
