

Colorado Electrification Leadership Summit

Thursday,
October 27, 2022

Location:
**Tri-State Generation and
Transmission Association, Inc.**
1100 W 116th Ave., Westminster, CO

The Beneficial Electrification League of Colorado (BEL-CO) is inviting utilities, local governments, new home builders, heat pump distributors, and other stakeholders to share insights and help us build momentum in electrifying Colorado's homes and other buildings.

Discussions will include: 1) state policy updates and new federal funding to drive more building electrification, 2) opportunities/challenges in building more efficient and electric new homes.
